Judges

The Court orders that the motion filed on June 27, 2005, is treated as a second motion to remand and it is DENIED because appellant has failed to identify an issue to be reviewed on appeal and to demonstrate by adequate affidavit or an offer of proof the facts to be established at a hearing. MCR 7.211(C)(1)(a)(ii). In particular, defendant has not submitted an affidavit or offer of proof as to what trial defense counsel would testify to regarding the timing of the filing of the notice of alibi.
